

RESPONSIBILITIES

Overall and final responsibility for health and safety is that of:-

Dr Pauline Farmer
(General Secretary/Treasurer & Retriever Secretary)

In addition, to ensure that health and safety standards are maintained/improved the following people have responsibility in the following areas:-

Name(s)	Responsibility
Dr Pauline Farmer	Carrying out risk assessments, reporting to the person with overall responsibility for health and safety, removal of hazard or the implementation of hazard controls, regular review of procedures
Dr Pauline Farmer	The arrangements for monitoring the supervision of young people, developing and maintaining the child protection policy
Mr Robert Mitchell	First aid personnel/appointed person; first aid boxes and their replenishment; recording accidents in the accident book; carrying out accident investigations and reporting injuries, disease and dangerous occurrences under RIDDOR
Dr Pauline Farmer	Ensure that appropriate action is taken, i.e. that the police or other appropriate authority is called, where there is a risk of malevolent action from anti fieldsports lobbyists. Inform BASC of the activities of anti fieldsports lobbyists
Dr Pauline Farmer	Formalising procedure(s)/protocol for conservation activities (how people should behave, what PPE should be worn, what to do in an emergency and who is responsible for basic gun safety etc, what to do in an emergency and who is responsible) and for producing the 'pre shoot talk'

All members of the Grampian Gundog Club

All those involved with Field Trial activities have legal responsibilities to take care of the health and safety of themselves and those who may be affected by what they do, and to co-operate in order to comply with the law. ALL those involved with the Trial should:-

- Co-operate on health and safety matters.
- Not interfere with anything provided to safeguard health and safety.
- Take reasonable care of their own health and safety.
- Report all health and safety concerns to an appropriate person (as detailed in this policy statement).
- Be observant at all times of the risk of malevolent action from anti fieldsports lobbyists. If anything unusual is observed, the circumstances should immediately be reported to:-

Health & Safety Chain of Command
