

GRAMPIAN GUNDOG CLUB
KC ID N° 2057

HEALTH AND SAFETY POLICY STATEMENT

Our general policy is to:

- Carry out risk assessments and provide adequate control of the Health and Safety risks for our activities
- Consult with all those involved in the field trial on matters affecting their Health and Safety
- Ensure the safe handling and use of equipment which may be hazardous to health
- Provide information and instruction for all those involved with the field trial
- Ensure that all those involved with the field trial are competent to undertake shooting activities and tasks
- Prevent accidents where possible
- Review and revise this policy at regular intervals
